95 Specious Lies of Rome

Luther nailed his 95 Thesis to the door of the Wittenburg church, thus launching the great Reformation of Protestantism. Much of what the Reformers fought and died for is being tossed out the window by voices in New Evangelicalism calling for ecumenism with Rome. In honor of Luther I've updated his complaints to reflect the de-evolution of the Church of Rome today. She (the Mother Church) no longer has the power to torture and kill her opponents, so I can safely lay it all out here. Would welcome comments of those who think it needs to be tweaked - better examples of lies can replace any of these.

95 Specious Lies of Rome

1. The Roman Catholic Church was founded by Jesus.
2. Mary is the mother of God.
3. There is a place sinners go after death called Purgatory.
4. The RCC has the Melchizedek priesthood.
5. Catholic priests are Christ as they offer mass.
6. The pope's authority is from apostolic succession.
7. Bones, hair and fingernails of dead saints are worthy of veneration.

I grew up Catholic, and remember a lot of these lies. To think that so many still believe them is terrible! I thank God I am no longer a part of such an organization. Thanks for posting these!

I was raised Catholic. But when I was 21 I prayed to God to come into my heart "in the Name of Jesus" and I had a spiritual birth. I now go to a very special Baptist church and I have learned so much about God and doctrine through the Pastor and leaders of the church. I got this from my friend, who is the pastor's wife. It is so great to have the Authorised Version of the Bible (KJV) to guide and inspire me.

It is so gratifying to me, after having witnessed the spread of the eccumenical movement through the past 50 years, to see a new generation rise up and declare without fear, that eccumenicalism is really the old RC religious chains in a new package. All of the religious excesses of money-mad preachers, maga-churches with no Gospel being preached, preachers who claim to practice the gifts of the Spirit, but in reality make a mock of those Gifts, is all traceable to the eccumenical forsaking of the Bible as the guide to our faith, and following these religious liars that tell us how wonderful the pope is, and we should all go home to Rome. Keep up the good work!
