

## Prayer Of Release Against Theophostics

"Father... Just as you sit here. In the name of Jesus, Father, I come to you in the name of Jesus. If anyone in this room has opened their spirit up to evil spirits impersonating the Father and the Holy Spirit and the Lord Jesus, Father, I ask that you give them the ability to recognize this and take responsibility and repent to you. Father, if they are here, I ask as, as they are before you now, that they would forgive themselves and not hold this against themselves because it's not the unpardonable sin. And Father, any of the issues of their life from... where they, a spirit of fear would come because of molestation, or because of emotional abuse or physical abuse or sexual abuse or performance or drivenness, those spirits of fear that would come in to reinforce that trauma, in the name of the Lord Jesus Christ I command those spirits of fear to be gone. Let these people go. would come in to reinforce that trauma, in the name of the Lord Jesus Christ I command those spirits of fear to be gone. Let these people go. You're a lying spirit. The real lie is you. Because your father's a liar. He was a liar from the beginning, which is Satan. And you are lying spirits that try to reinforce yourself to take away the peace of God's people. I say to you the Lord rebukes you. These are a people of God. And in the name of the Lord Jesus Christ I command you to loose them.

Even as I speak, I speak to any cerebral amnesia that will not allow you to have proper resolution of victimization.

First of all I release you to forgive these people. I release you even now as I speak to forgive these people. It was not them that did it so you. It was sin that lived within. I release you to have compassion for them and to forgive them and to forgive yourself. And now in the name of the Lord Jesus Christ, I command the imprint that was formed by evil spirits of divination, at the brain memory level, I command the imprint to dissolve. I release your mind to, now to consider and to be free to have resolution. In the name of the Lord Jesus Christ I pray this, and I release you from all spirit guides and evil spirits impersonating the Father and the Son and the Holy Ghost, in the name of Jesus. And I release you to your peace, to have your mind renewed, without interference. And I release you also to be vulnerable, to be open and vulnerable without fear, in the name of Jesus. Amen.
