# The Jefferson Lies

*Exposing the Myths You've Always Believed About Thomas Jefferson*

Having borne the brunt of a smear campaign that started more than two centuries ago, the reputation and character of American president Thomas Jefferson shows considerable tarnish, as lies and misunderstandings have gathered on his legacy.

This book will examine the modern lies:

- Jefferson and Sally: Did he really have children by his slave, Sally Hemings?
- Jefferson and Jesus: Did he really abandon the faith of his family?
- Jefferson and the Bible: Did he really want to rewrite the Scripture?
- Jefferson and the church: Did he really advocate separation?
- Jefferson and slaves: What is the truth about his slaveholding and his statements that all are created equal?
- Jefferson and education: Did Jefferson really found the first secular, irreligious university?

All of these questions deserve the cleansing light of truth. The findings from reading the historical records, combing the original documents and letters, and examining the recent evidence will upset the establishment. Learn about the true man, the real Thomas Jefferson. Most readers will have the joy and surprise of meeting a Jefferson they've never met before.

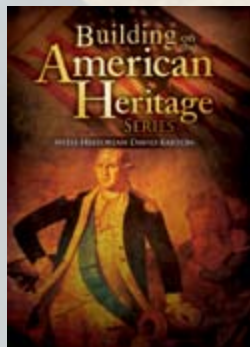

Available in the spring. Pre-order your copy now!

**15% OFF** Only \$35.00 (PZALL)

### Presenting the Declaration of Independence to Congress (1000 pieces; 20" x 27")

On July 4, 1776, Congress officially voted to separate from Great Britain, and a new nation was born. Now you and your family and friends can enjoy seeing this part of our history!

PZ01  
\$15.99

### The First Prayer in Congress (500 pieces; 18" x 24")

In September 1774, America's first Congress opened with a lengthy prayer and Bible study. This puzzle will not only be a fun project but a great way to remember and visualize this momentous event.

PZ02  
\$13.99

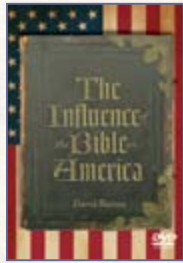

**Washington & Troops Crossing the Delaware** (100 pieces; 13" x 19") This puzzle is of one of the most recognizable patriotic paintings of the American Revolution – General George Washington and his troops crossing the Delaware River on a freezing Christmas night in 1776.

PZ03  
\$11.99

*Each puzzle contains a special insert with historical facts pertaining to the event.*

# ONLINE COURSE CURRICULUM

## The Influence of the Bible on America

**Don't miss this exciting opportunity to learn about the ways the Bible has influenced American history!**

This course must be purchased online.

This *Influence of the Bible on America* interactive course correlates to WallBuilders' DVD of the same title. This curriculum consists of 10 online lessons examining the influence that the Bible has had on shaping America and its key institutions, covering from colonial days until the late nineteenth century. Each lesson begins with a segment from the DVD and also adds many supplemental video clips, historical documents, and articles relevant to the theme of each lesson. There are also web links to additional information. This is an excellent, easy, and exciting tool for individual study or for homeschool/Christian school classes, Sunday Schools, and small groups to learn in depth about our nation's Godly foundations.

## 5 Judicial Myths *Restoring a Constitutional Judiciary*

Learn from the Founders' own writings what their true constitutional intent for the Judiciary was and equip yourself with information so you can disprove popular myths about this branch.

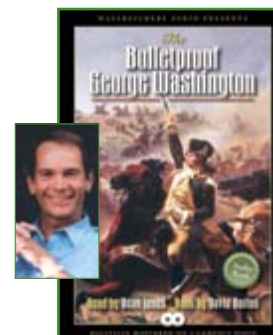

**CD (CD25)  
\$6.95**

## America's Birthday: The Fourth of July

"With a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, our fortunes, and our sacred honor." This final statement in the Declaration of Independence marked the beginning of a new nation. Observe God's sovereignty as you hear exciting stories surrounding the birth of the United States.

**CD (CD18)  
\$6.95**

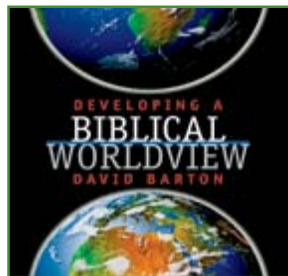

## The Bulletproof George Washington

**Narrated by Disney Legend Dean Jones.** Imagine young Col. George Washington in a ferocious battle in 1755 during the French and Indian War – he was the only officer not shot off his horse; he found numerous bullet holes in his jacket – yet he was unscathed; he found bullet fragments in his hair, yet he was not harmed. Learn the story of God's providential protection on the first president of the United States.

**2 CD Set (CD19)  
\$14.95**  
**Paperback (B19)  
\$6.95**

## Developing a Biblical Worldview

The idea that faith should be divorced from other aspects of life is a notion which has gained popularity in recent years. This relevant commentary exposes the hazards of such thinking and points to a time in American history when Christians integrated their beliefs into every sphere of life.

CD (CD10)  
\$6.95

## Freedom's Prayer

Soaring vocals bring life to patriotic anthems including "God Bless America," "America the Beautiful," and "Heal Our Land." This collection of eleven songs skillfully blends the grandeur of a full orchestra with the simplicity of heartfelt lyrical prayers for our beloved country. *Vocals by David Grothe*

CD (CD17)  
\$12.00

## Eight Steps for Thinking Biblically

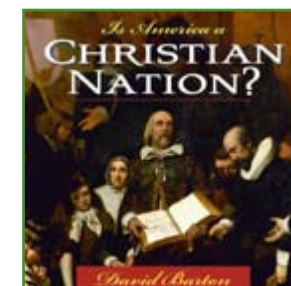

In today's society, we use many filters as the basis for our thinking and decision making. Let's learn to apply the filter of God's Word as the foundation for every choice we make in life as we view examples from the Founding era!

CD (CD24)  
\$6.95

## Is America a Christian Nation?

Did you know that in 1892, the Supreme Court declared America a Christian nation? Why then do we so frequently hear, even from national leaders, that we are **not** a Christian nation? **Review** for yourself the evidence which led to the Court's noteworthy conclusion.

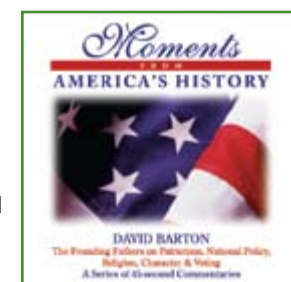

CD (CD26)  
\$6.95

## Moments from America's History

This series of fifty-one 45-second radio clips, as well as the 60-second PSAs, includes observations and opinions of the Founders on a variety of subjects – from education to voting, from the judiciary to the Constitution. Excellent for personal enjoyment and may also be utilized as a replacement for on-hold music in schools, churches, businesses, and more.

CD (CD15)      PSA CD (CD15A)  
\$6.95              \$6.95

## Faith, Character, & the Constitution

The Founding Fathers were convinced that the Constitution was inadequate to govern America unless upheld by leaders of integrity. Listen to the Founders' statements on the importance of character and religious faith in civil society.

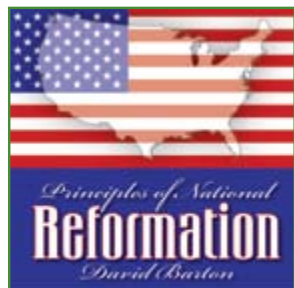

CD (CD14)  
\$6.95

## The Principles of Limited Government

Discover the Founders' definition of limited government, which often differs from today's definition, as we ascertain what citizens can do to return government to its true limited responsibilities.

CD (CD23)  
\$6.95

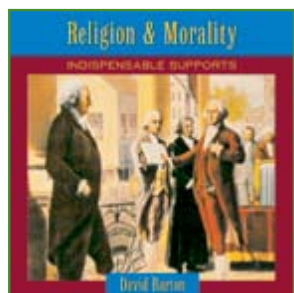

## Principles of National Reformation

America is facing moral and economic challenges unknown to previous generations. As a result, prayers for national revival are being offered across America. This CD reviews the historical characteristics of a revival and the specific Biblical principles that help produce an enduring national reformation.

CD (CD22)  
\$6.95

## Religion & Morality: Indispensable Supports

Most citizens today know little about the moral and religious nature of America's most successful political leaders. Do personal ethics matter in public affairs? Of what consequence are the religious beliefs of our political leaders? Consider the Founders' remarks on religion and morality as cornerstones for a successful society.

CD (CD12)  
\$6.95

## Science, the Bible & Global Warming

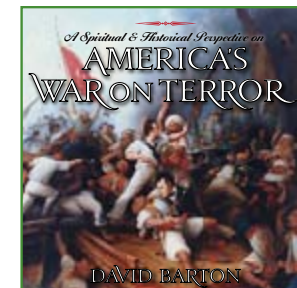

Today, most scientists and Biblical leaders are rejecting the current premises of man-caused Global Warming. Discover the scientific and Scriptural reasons for their decision and learn how we can be good stewards of what God has given us – without undermining God's natural order of creation.

CD (CD20)  
\$6.95

## A Spiritual & Historical Perspective of America's War on Terror

Contrary to popular myths, America's "War on Terror" against Islamic terrorists is not new. Discover the fascinating and little known history of America's first war on Islamic terrorists that lasted from 1784 until 1816 and involved Presidents George Washington, John Adams, Thomas Jefferson, and James Madison.

CD (CD21)  
\$6.95

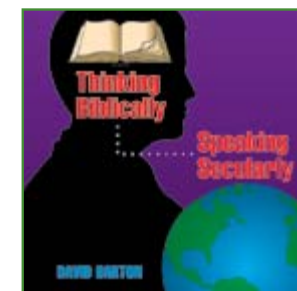

*Think not that men who acknowledge not the providence of God nor regard His laws will be uncorrupt in office, firm in defense of the righteous cause against the oppressor, or resolutely oppose the torrent of iniquity. . . . Watch over your liberties and privileges – civil and religious – with a careful eye.*

– Matthias Burnett  
Connecticut Minister of the Gospel

## Thinking Biblically: Speaking Secularly

Drawing inspiration from Biblical examples, this popular resource encourages believers to communicate Christian truths in a manner relevant to today's secularized society.

## Celebrate Liberty!

### Famous Patriotic Speeches & Sermons

This collection illuminates stirring orations offered by noted figures such as John Quincy Adams, Daniel Webster, and Noah Webster. It also unearths treasures by George Bancroft, Elias Boudinot, and other valuable contributors to our national heritage. Our annotated edition provides extensive historical tidbits and commentary. 249 pages.

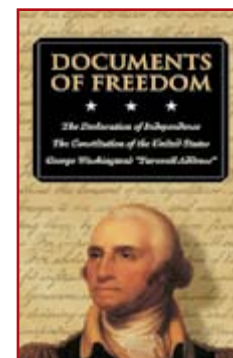

**Paperback (B30)**  
**\$10.95**

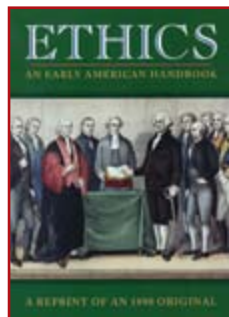

## Documents of Freedom

John Jay, America's first Chief Justice, advised the diligent review and study of America's Constitution so that citizens would be equipped with knowledge of their personal rights and be prepared to defend those rights against abuse. Our handy, pocket-sized edition makes available the full texts of the Constitution, the Declaration of Independence, and George Washington's Farewell Address. 58 pages.

**Paperback (B21)**  
**\$3.95**

## Ethics: An Early American Handbook

All ages will benefit from our reprint of this 1890 study on ethics, which emphasizes character traits such as honesty, gratitude, and responsibility. We're rightly reminded of the critical importance of character development and the role of a well-formed conscience in making morally sound decisions. 127 pages.

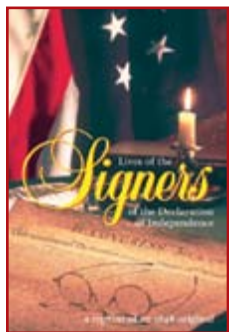

**Paperback (B23)**  
**\$7.95**

## Lessons from Nature for Youth

Scripture often characterizes Creation as a reliable educator and a revelation of God's truth. Our reprint of an 1836 original capitalizes upon that principle, teaching virtues from examples found in the animal kingdom such as loyalty from a buffalo and honesty in the behavior of a woodpecker. This resource's creative and refreshing perspective will appeal to all ages. 96 pages.

**Paperback (B15)**  
**\$6.95**

## Lives of the Signers

Originally published in 1848, our reprint provides a concise biographical sketch of each of the fifty-six Founders who signed the Declaration of Independence. Read the stories behind the signatures and explore the histories of American greats such as John Hancock, John Adams, Richard Henry Lee, and others, who risked their "lives, fortunes, and sacred honor" for the effort that gave birth to the most powerful nation on earth. 384 pages.

**Paperback (B14)**  
**\$10.95**  
See also *Wives of the Signers* – p. 18

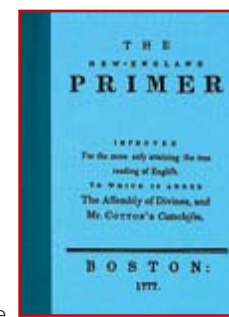

## The New England Primer

With the distinction of being the first textbook printed in America, *The New England Primer* was long implemented as curriculum in American schools. Many of the Founding Fathers and their children learned to read from this compact manual, which couples literacy lessons with spiritual catechisms. Our pocket-sized book is reprinted from a 1777 edition used in many schools from the Founding Era until the twentieth century.

The *Contemporary Alphabet Edition* is also a faithful reproduction of the 1777 New England Primer – with a very significant exception. The letter "s" in the old English alphabet (represented sometimes by an "ſ" and other times by an apparent "f") has been standardized to the single modern "s". This change makes the valuable lessons contained in this book easy to comprehend for children and adults alike.

**Hardback (B11)**  
**\$6.95**

**Contemporary Alphabet Edition**  
**Paperback (B11A)**  
**\$6.95**

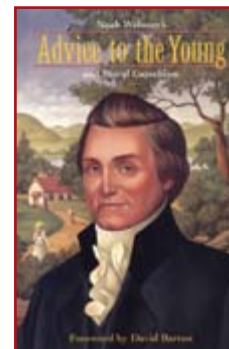

*The people are responsible for the character of their Congress. If that body be ignorant, reckless, and corrupt, it is because the people tolerate ignorance, recklessness, and corruption. If it be intelligent, brave, and pure, it is because the people demand these high qualities.*

– Rev. James A. Garfield, (1831-1881)  
U.S. President, Minister of the Gospel

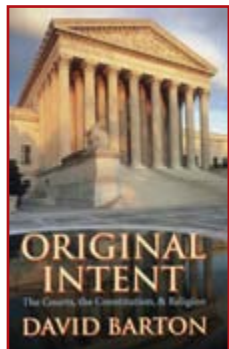

## Noah Webster's Advice to the Young

This book contains two historical reprints written by Founder Noah Webster to "enlighten the minds of youth in religious and moral principles and restrain some of the common vices of our country." Using a pattern of questions and answers, the moral catechism instructs children in qualities such as honesty, generosity, gratitude, and more. Though originally intended for youth, these works are invaluable for wisdom-seekers of all ages. 53 pages.

**Paperback (B10)**  
**\$6.95**

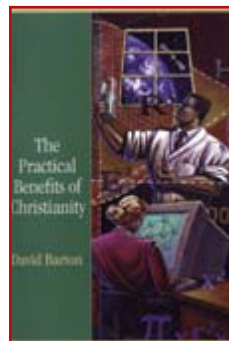

## Original Intent: The Courts, the Constitution, & Religion

An essential resource for anyone interested in our nation's religious heritage and the Founders' intended role for the American judicial system. *Original Intent* combines hundreds of quotes from primary sources with the author's exposition on hot topics such as revisionism, judicial activism, and separation of church and state. A substantial appendix encompasses full texts of founding documents, biographical sketches of numerous Founders, and extensive reference notes. 534 pages.

**Paperback (B16)**

## The Practical Benefits of Christianity

America's Founding Fathers believed that the principles of Christianity provided a solid framework for human civilization and that a resolved devotion to those values would also be the very means by which to preserve that structure. This concise compilation of quotes and observations points to Christian values as being the root of success in education, science, and every other aspect of society. 25 pages.

**Paperback (B26)**  
\$3.95

## The Question of Freemasonry and the Founding Fathers

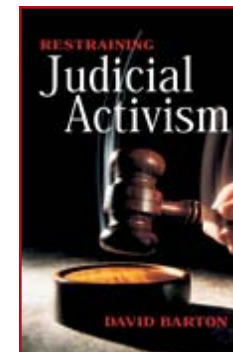

In recent years, Freemasonry and its link to the Founding Fathers has been a focal point of controversy. This work explores the truth behind this connection and corrects the numerous myths about Freemasonry and the Founders. Primary sources reveal both the Founders' limited involvement with Freemasonry as well as the dramatic changes that Masonry has undergone since the time of the Founders. This work provides an insightful history of this secret society and offers convincing proof of its relatively small influence on America's foundations. 132 pages.

**Paperback (B34)**  
\$7.95

## Restraining Judicial Activism

This enlightening book addresses the crisis of judicial activism in today's government, revealing an overlooked Constitutional provision: impeachment, the recourse prescribed by the Founders for an unaccountable judiciary. Learn how to recognize judicial activism and reinstate judicial accountability. 62 pages.

**Paperback (B29)**  
\$6.95

## The Second Amendment

The Second Amendment to the Constitution, a protection of the ownership of firearms, has become the source of heated controversy in recent years. Learn about the Founders' views on this important freedom and their solutions for averting the plague of violence that has disrupted communities. 84 pages.

**Paperback (B25)**  
\$5.95

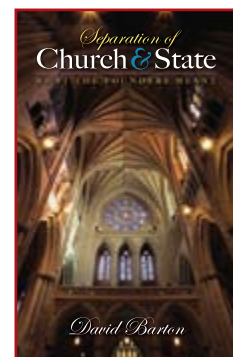

*See also Defending Liberty Mouse Pad – p. 33*

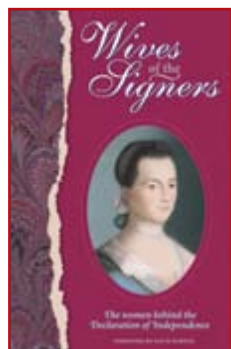

## Separation of Church & State

This book is very timely for one of the most frequently debated issues in America: the separation of church and state. Where did this phrase originate? Was it always meant to prohibit expressions of religious faith in public settings as many claim today? When did the original meaning and purpose change? With this resource, you will be able to clearly understand the original intent of the Founding Fathers and share this enlightening information with others! 32 pages.

**Paperback (B22)**  
\$3.95

# BOOKS

## Wives of the Signers

Originally penned in 1912, this historical reprint showcases the fiercely courageous women who endured tremendous hardship as their husbands fought to build an independent nation. Women such as Abigail Adams, Dorothy Quincy Hancock, and Julia Stockton Rush contributed their wisdom, strength, and loyalty to the cause of the Revolution, shaping history as a result. 283 pages.

*God will bless or curse this nation, according to the course Christians take in politics.*

– Rev. Charles G. Finney (1792-1875)  
Revivalist in the Second and Third Great Awakenings

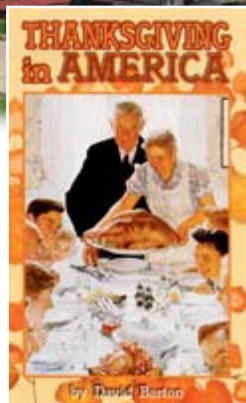

## America: God Shed His Grace on Thee

This tract contains a variety of quotes that exemplify the Founders' regard for a Biblically based system of government.

Pack of 20 (PAM02)  
\$2.95

## Thanksgiving in America

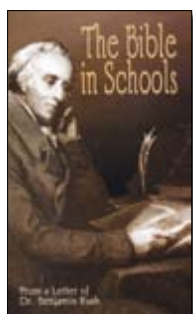

Prepared in response to a request from the American Tract Society, this pamphlet explains the spiritual significance behind a favorite American holiday.

Pack of 20 (PAM07)  
\$2.95

## The Bible in Schools

Dr. Benjamin Rush, a signer of the Declaration of Independence, firmly believed in the Bible as a primary text in America's schools. He carefully articulated his thoughts on the subject in this letter to a friend, reprinted here for your edification.

Pack of 25 (PAM04)  
\$3.95

## The Truth about Thomas Jefferson & the First Amendment

This pamphlet dispels popular misconceptions surrounding the topic of church-state separation and supplies pertinent information on the true relationship between Jefferson and the Constitution. Readers will learn of other prominent Founders who markedly influenced the genesis of the First Amendment.

Single Pamphlet (PAM01)  
\$.50

## United States Capitol Guidebook

*The rich heritage of our nation's Capitol is full of exciting history!*

Discover some of the unknown events that took place in this building, as well as the legacy of the artifacts in the building (from the paintings hanging in the Rotunda to the chapel (still used today!) to the statues throughout the building representing some of our nation's heroes)! Done at the request of U.S. Congressmen, this short pamphlet will help us to reacquire ourselves with the true history of America! 40 pages.

Pamphlet (PAM10)  
\$1.00

## Vote! A Christian's Civic Responsibility

Drawing upon both historical and Biblical support, this flyer presents compelling quotes from America's Founders on the necessity of Christian participation in elections. This resource is ideal for distribution among congregations, civic groups, etc.

## George Washington Carver

Though born into slavery, George Washington Carver became one of America's foremost scientists. This innovative thinker prayed each day for God's help with his experiments and research, and in the course of his lifetime, derived more than 300 products from the peanut, including cheese, milk, soap, and linoleum. 16 x 20 inches.

Poster (P05)  
\$4.95

## First Blacks in Congress

Joseph Hayne Rainey, Robert Brown Elliott, and five other African Americans achieved the distinction of being the first black Congressmen. Though a majority of these gentlemen were born into slavery, they overcame great difficulty and succeeded in becoming influential legislators. Our poster commemorates these noteworthy leaders with biographical sketches chronicling their accomplishments. 16 x 20 inches.

Poster (P02)  
\$4.95

See also Mouse Pad, p. 33

## First Prayer in Congress

On September 7, 1774, the Rev. Mr. Duché opened the Continental Congress with prayer, one which listeners described as "fervent," "pure," and "sublime." This action of beginning with prayer established the precedent for a Congressional tradition which continues to this day. 16 x 20 inches.

Poster (P03)  
\$4.95

See also Mouse Pad, p. 33

## Thomas Jefferson

Early patriot Thomas Jefferson drafted the Declaration of Independence and served as our nation's third President. In addition to his political accomplishments, he designed and built his home Monticello and established the University of Virginia. 16 x 20 inches.

Poster (P10)  
\$4.95

## Abraham Lincoln

Our sixteenth President, Abraham Lincoln, declared the Bible "the best gift God has given to man." During his remarkable political career, he issued the Emancipation Proclamation and delivered his unforgettable Gettysburg Address. 16 x 20 inches.

Poster (P01)  
\$4.95

## Pocahontas

This spirited Indian princess intervened to save the life of explorer John Smith and later saved the entire Jamestown colony from destruction at her father's hand. She eventually married John Rolfe and became the first Virginia convert to Christianity, even changing her name to a Christian one – Rebekah. 16 x 20 inches

Poster (P06)  
\$4.95.

# POSTERS

## The Signing of the Constitution

Our Founders labored over the national constitution for months, and in 1789, the document was approved. Our poster records comments from James Madison, Benjamin Franklin, and others on the significance of this document. It also presents a key for identifying the signers included in the painting. 16 x 20 inches.

Poster (P07)

\$4.95

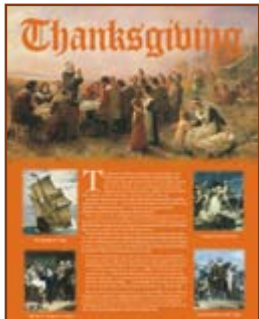

## The Signing of the Declaration

On July 4, 1776, Congress officially voted to separate from Great Britain, and a new nation was born. Our poster provides historical information on this momentous occasion and supplies a key for identifying the signers represented in the poster's artwork. 16 x 20 inches.

Poster (P08)

\$4.95

## Thanksgiving

In the autumn of 1621, grateful Pilgrims declared a three-day feast in order to celebrate God's provision and blessing. Their festival gave birth to a precedent for the holiday we observe today. 16 x 20 inches.

Poster (P09)

\$4.95

## George Washington

Called the "Father of Our Country," George Washington was indispensable in our nation's founding, serving as commander of the Continental army during the Revolutionary War. Washington also exhibited great wisdom, faith, and courage as the first President of the newly formed United States. 16 x 20 inches.

Poster (P04)

# "If My People"

## Note Card

*This special card is great for gifts or for personal use!*

**Don't miss this opportunity to share your faith and patriotism with your friends and family in a new and unique way!**

This unique note card, with hands mending a flag that is tattered and torn with bullet holes and numerous images and faces embedded throughout the picture, contains a Scripture of hope and healing from II Chronicles 7:14 on the front. On the back, there is a description from the author noting the significance of the painting. (Blank inside. White envelope included.)

A few examples of the descriptions are:

- "The tattered and worn flag symbolizes the apathy and NEGLECT for the principles on which this country was founded."
- "This bullet hole, tinged with blood, symbolizes the SACRIFICE of the flag bearer. He willingly becomes vulnerable, laying down his own arms, in order that he may raise the flag and rally the troops."
- "It is through the humble PRAYERS of God's people, repenting and seeking Him that the promise of His hearing and forgiving and healing our land will come."

**Individual Card  
(NC01)  
\$1.00**

**Pack of 12

## The Noah Webster 1828 Dictionary and the Bible on CD ROM

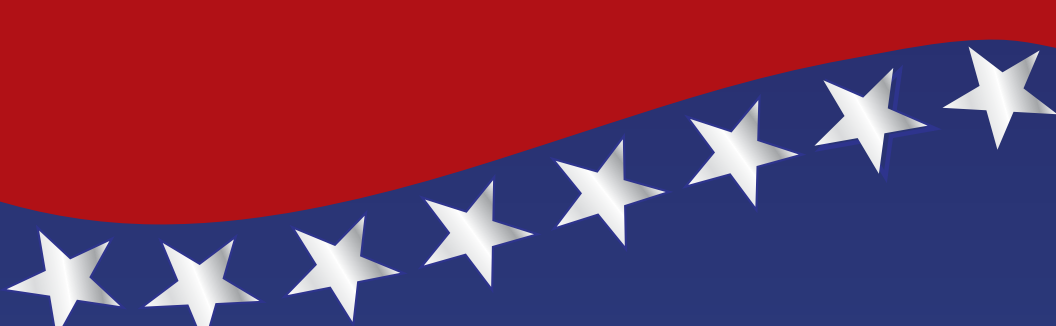

Founding Father Noah Webster had a significant impact on America. Today, Webster is primarily known for the massive dictionary that bears his name. While preparing that work and seeking to understand the origin of specific words, Webster learned over twenty languages.

This searchable CD ROM features Noah Webster's 1828 Dictionary, An American Dictionary of the English Language. It was the first dictionary ever published in America and is presented here in its entirety, with a dedication to God, praying that it would be useful for "the moral and religious elevation of character and the glory of my country."

This CD ROM also includes the full text of the Bible which is fully integrated with the Dictionary to enable fast, thorough word studies.

**CD ROM (CDR07)  
\$39.95**
