**September 16—MONGOLIA**

An anointed pastor in Mongolia is working with DPM to translate (through his wife) and publish Derek's materials, making Derek's Mongolian teaching available to many in that nation. Pray for them as they take on this new project and for this foundational teaching to have a mighty impact on believers in Mongolia.

**September 17—SIERRA LEONE**

The DPM contact here reports that the pastors who received Derek's books in June are thoroughly enjoying his teaching, particularly *Foundational Truths for Christian Living*. **September 20—INDONESIA**

- Pray for a significant increase in sales as well as in donations, from Indonesian believers.

- Pray for the translation and publication of material in the Sinhalese language and for the right "voice" to record some of Derek's foundational material onto CDs.

**September 29—CHINA**

There are signs of tighter control by the central government. A heretical Christian group openly murdered a woman in a restaurant, obviously causing alarm with the authorities. Pray for protection and blessing over China's Christians, especially for the DPM team both inside and outside China.

DEREK PRINCE MINISTRIES

**Praise and Thanksgiving**

SEPTEMBER/OCTOBER 2014

*But I will hope continually, and will praise You yet more and more. My mouth shall tell of Your righteousness and Your salvation all the day, for I do not know their limits.*

*Psalm 71:14–15*

**China—Ross Paterson**

- Two new groups with many churches in each are urgently asking for Derek's materials. We will reach entirely new groups of many Chinese believers through these open doors.
- A listener who had been blessed by Derek's teaching on DVD wrote to say how wonderful it is that Derek spoke Chinese and asked if we could tell other foreign teachers to learn the language in the same way. Derek never did learn Chinese as his messages have been over-dubbed in Chinese to such very high quality that it seems he does speak the language on the DVDs!

**France—René de Groot**

- Another title is available in French: *Living as Salt and Light*, and 500 copies have gone already to French-speaking Africa!
- We thank God for Robin Prins, a volunteer for DPM—Netherlands, who contacted us and offered to help with subtitling DVD messages and setting up a YouTube channel.

**Indonesia—Yoegi**

Here is a testimony from a radio listener:

*I've been truly blessed since becoming a regular listener to RPK FM Radio in Jakarta. The Keys to Successful Living broadcasts truly touched my heart. I also began to listen to Derek Prince Legacy Radio through the international website, which I often download for listening at a later time. I received many new insights and began to better understand the many liberating truths of God's Word. Slowly, Derek opened my eyes about my need for forgiveness, the truth of God's Word in our lives, spiritual warfare, the new life, etc. His teaching is so clear and easy for anyone to grasp and so very real to daily life. Many have changed my viewpoint of things, such as God's will for my life, how to become a prayer warrior, blessings and curses, spiritual enemies, etc. Many times DPM devotionals spoke to me exactly in the situation I was facing. It was as if I was receiving confirmation from the Lord through DPM. Praise the Lord!*

**Island of Nauru (South Pacific)—Warren Smith**

Derek's radio programs are now broadcast daily from the main radio station of this country.

**Nepal—Gopaljee Adhikari**

This testimony was received from Pastor Sewa:

*Thank you for the Derek Prince books which I received during one of your seminars. God has opened my understanding through these books. I was so ignorant about the Holy Spirit, the baptism of the Holy Spirit and also the gifts of the Spirit. I was told all these things were of the past, only for the Apostles. There are other churches around us who teach that the Holy Spirit is not for us today. I was confused. But now I understand these are for us today also. I am so thankful. I would like to obtain all the books written by Derek Prince. Is it possible?*

**Netherlands—Ivar van der Sterre**

- This summer, we have received positive responses on the Internet course on prayer.
- The number of subscribers for the daily devotionals is growing daily.
- We are grateful for the steady interest in Derek's books, contrary to general book sales.

### **New Zealand – Warren Smith**

We were able to recently purchase the building we rented for 10 years! Almost half of the needed funds were donated by supporters. We are now saving over \$24,000 per year in rent. The building was fully repainted inside and out by the insurance company after the earthquakes and also has new carpet.

### **Norway—Sverre Kristoffersen**

We are thankful for the excellent help received from Agnieszka and Marek of DPM–Poland in printing *Declaring God's Word* in Norwegian. This cooperation will open new doors for both offices to prosper.

### **Pakistan—James and Elizabeth**

Here are two testimonies from church leaders who received Derek's book, *Life-changing Spiritual Power*:

*This book has inspired me to take up the challenge to be equipped and prepared for the times ahead in leading the Church in Pakistan. This book has all I need for my spiritual growth.*

*Even in this cold weather, this book is warming the faith and hearts of its readers. God has provided for us out of His abundance. We, as leaders and emerging leaders, are so grateful to DPM. You have a great passion for the leaders and emerging leaders in Pakistan. For me, this book has unique teaching topics to make a leader grow in Christ. I believe that it will be used for leadership training. I have never seen such a book in the Urdu language. Thank you so much for showing concern for the betterment of spiritual growth of the Pakistani leadership.*

### **Solomon Islands—Tele Bartlett**

- We had planned to reach the Choiseul Province when someone from that area called in with their donation and shared a testimony of how Derek's radio broadcast had touched and helped him. Not only that, he assured us that he and his tribe agreed to support the ministry!
- An inmate who was released recently took on the responsibility to distribute and help organize the *Self-Study Bible Course* in his community. He is the second former inmate who has offered his time for this.
- We now have connections on the island of New Georgia, Makira Province (east of Guadalcanal) and Gizo (capital of the Western Province) where Derek's book, *Life-changing Spiritual Power*, is being distributed. We have received very positive responses from the coordinators.

### **South Africa—Isabel Surgeon**

- The Spiritual Warfare Proclamation Card has been printed in five languages: Xhosa, North Sotho, South Sotho, Shona and Portuguese. These will impact many as they declare God's Word.
- We were able to send Portuguese books and DVDs to Angola and Mozambique. The pastors involved were very excited to see the large selection of Portuguese books.
- A lady in Pretoria bought a set of the Xhosa DVDs which were taken to the Eastern Cape for pastors from different churches. They are very excited about the teaching as there is not much available for them besides the Xhosa Bible.
- Many new contacts are made when radio listeners phone or visit the office to buy CD messages. Many listeners comment that they know it is sound Bible teaching that is so lacking today. One response came from Kholeka Gamede who wrote:

*I called today with my question about what I heard on Radio Pulpit. Thanks again for your time. I am interested in buying the book, If You Want God's Best. I already went on the website and have seen amazing teachings. I must say how this is helping me find answers I have been looking for. Today I felt God's presence very much alive. From a simple question I had, much more was revealed.*

### **Sri Lanka—Elsie and Danny (in India)**

- We have a new coordinator who will head up Derek Prince Ministries in Sri Lanka.
- We recently translated and printed *God's Medicine Bottle* and *The Holy Spirit in You* in the Sinhala language and began distribution in Sri Lanka. We have also been distributing *Life-changing Spiritual Power* in English and Tamil to Sri Lankan pastors and leaders.

### **United States – Dick Leggatt**

DPM linked up with “Ignite America” for a conference held July 31–August 1 in Shreveport, Louisiana, where a group of college students gathered to seek God for spiritual awakening. We sponsored some of the students to attend and provided material for distribution. Board member Ron Ross and his wife Kathy attended on behalf of DPM and connected with the students firsthand. Some students were familiar with Derek’s teaching, and many were not. Ron and Kathy were excited to see a fervor and hunger for the Lord and what He is doing among a core group of young believers as they minister on their campuses.

### **Zimbabwe—Tich Ruzane**

*I attended a Baptist men’s camp/conference in northern Zimbabwe and had a warm reception from about 130 white men from Zambia and South Africa. I was also given 10 minutes to tell my story of how I felt God wanted me to come back to Zimbabwe to open the DPM office. After that, someone commented he also believed strongly that we need such sound teachings in our nation. Someone else wanted them to pray for me, and some men came forward and stood around me and prayed. I said to myself, ‘This is the Lord’s doing - a small black man standing in front of all these white people sharing.’ Another man said to me, ‘People are leaving Zimbabwe, but you are coming back. May God bless you for your sacrifice.’ I sold \$357 worth of materials. I also gave out business cards, and most people promised to visit the office. I strongly believe this has opened a great door to Baptist Bible Church. Someone even offered me to assist me with proper bookkeeping and accounting. It was a blessing being there. —Tich*
