

### **Wrapping-Up Prayer after Deliverance Ministry**

Father, in the name of Jesus, we thank you for this work that was done here today. Jesus we thank you that you have given us authority to set the captives free. We give you all the glory Lord.

We seal this deliverance with the blood of Jesus. We ask for a quick and complete healing of this soul. Lord pour in you love, joy, peace and righteousness. Fill every part of his/her being with your Holy Spirit. Give him strength Lord. Teach him your ways. Put your protection around him. Let your light shine brightly in and around him.

Holy Spirit we invite you to continue this good work. Continue to sweep \_\_\_\_\_ of all demonic presences. We declare that when they leave they will go to the pit in Jesus name. They will not stay to torment from the outside.

We ask that there be no backlash, judgment or condemnation from the enemy in Jesus name against anyone involved in this ministry process. We break any ungodly soul tie that might have formed due to this ministry. We thank you Lord for continued protection over our, lives, homes, families and ministries and finances.

We ask that you purify this property Lord. We ask for a clean sweep of all demonic spirits. We declare than no spirit may attach itself to any object or person here. You may not stay. You must go to the pit in the name of Jesus. We seal off all gateways to the demonic in Jesus name.

We declare the Lordship of Jesus Christ over this property and over everyone involved in this deliverance. You are invited to come and take up residence in this place Holy Spirit. Praise your name Lord! Amen.
