This and more is being pushed on society! The results? People being kidnapped, raped, kept as sex slaves! Just open the newspaper to see! Where do they take their 'ideas'? Porn desensitizes the folks and they look at women as a piece of trash, sex objects. Society is going down the drain. You read about teenage prostitutes, sexual abuse of children, rapes etc! This is the outcome of the widespread availability of porn. They use and abuse everybody in every way. This is sick and somebody should stand up and say something. Does the Gov see the content of the videos available on the internet? First they place it on the net- lesbianism, perverts, teenage girls...then they try to push for the abominable filth and abuse... in the legislation area! These so called 'adult movies' treat human being as a piece of nothing. This is abuse, this is hatred towards mankind of the worst sort!

Then you read about human trafficking, but... who is creating the demand? Well, folks first saw young teenage girls, and now the demons of lust and fantasy blinded them, and instead of finding a wife, they search and trawl the streets to find another victim! Why do you think they do it? Check the net first!

The scenes in the 'movies' are with homeless folks, disadvantaged, girls are having sex while on the streets, shelters, orphanages...In the real life, these are the places when scum pimp takes his victims to abuse! Check the statistics of runways from home! Check what is going on in the 'human trafficking' business.

Pornography just creates the demand. Then **pimps, satanists, perverts** roam the streets and search for the victims, who are homeless, have problems at home, don't have family at all...If this does not touch you, well check yourself right now. If you can watch freely that dirt and enjoy yourself, well you truly need to repent!

Society creates perverts by being so cold and following idea: "do watcha want!"

Jesus Christ calls you to repent, to throw away the garbage from your computer! You pay for somebody's blood, hurt, abuse, kidnapping, deception, and fill the pockets of perverts, satanists, Illuminati, and others. They have made you a deceived, weak, slave of your lusts! Can't you see?

The producers, folks who supply others for the 'needs' of obscene movies, and those who pay to watch the victims of sex slavery will surely land in hell. You call yourself a Christian and try to rationalize and make excuse? No, God is giving you a space for repentance, before you get judged by the Creator who made these girls, and is not going to allow this garbage to continue for ever!

Poor slaves of your demonic lust, repent! Stop practicing sin, be ye clean, stop justifying perversion, stop practicing witchcraft!

"Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. If ye be willing and obedient, ye shall eat the good of the land: But if ye refuse and rebel, ye shall be devoured with the sword: for the mouth of the LORD hath spoken it." Isaiah 1:18

Rescue your souls from hell! Stop financing this inhuman business! Stop financing the evil! Break the **satanic lust programming** over your mind and spirit! Cry to Jesus to set you free from demons that guide you and influence your thoughts, behavior!

Serve Jesus, break the bondage of demons of lust! Pray: Jesus, bring my innocence back, please do not allow me to have reprobate mind! Allow me to feel once again, melt the coldness of my heart, allow me to see the human being in these girls, once again! Help me to pray and intercede for them that their yokes may be broken! Jeeeeeeeeessssus! Help me be a human again! Allow me to see the pain and awful lot of the 'stars' of these wicked movies. Lord, bring judgment on the evil industries, and capture folks who despicably use these girls as a piece of trash! Oh Lord, move! Let your Spirit blow mightily and let your presence scatter all the wicked, unholy presence!

Hallelu Jah to the God Almighty, Jesus Christ!
